Governor's Message

Well folks, fall is here. What happened to all the lazy, crazy days of summer? Vacations are memories, football is back on the gridirons and school is back in session. Watch for the little ones who are traveling to and from school, when you are driving on the streets in your neighborhoods.

Speaking of little ones, in case you haven't noticed, the kid's playroom in the social quarters has been cleaned and we are asking that ALL PARENTS help keep it clean. If you bring your children into the social quarters it is your responsibility to ensure they play safe and their toys are put away. And, while it was being cleaned, old, dried food was found inside the drawers of the play tables and that could be dangerous. Young children could pick up this old food and eat it and end up getting sick. Food is not allowed in the playroom.

October always brings out the ghouls and goblins and this year's adult costume party will be October 24th in the social quarters. This is always a fun time and the costumes are great. It is fun trying to guess who's behind the "funny face and baggy pants". Hope you decide to join us. And the Kids Halloween Party will be during the day on Oct. 24th in the upstairs lodge hall. Our lodge Family Picnic was a huge success, as usual. "Thank you's" go out to Ben and Charlie Miller for all the hard work in setting up and tearing down, moving tables to and fro; CD Jenkins and Ricky Smoot for manning the grills; Jim McDonald and George Shipe for handling the beer tanks; Shelby Sealock for making sure the desserts were in place and ready to eat; Karen Schultz, Debbie Baker, and Kristie Wines for a fantastic job in food preparation; Mike Schultz for manning the pull tabs table; Jim, our Scoutmaster and the boy scouts for helping with the set up and teardown of the area; and last but not least, Fran Payne and Jesse Alexander for assuring entertainment was in place for the children. And a special thank you for those members who came and brought covered dishes. If I have missed naming someone, it was not intentional. I am sure there were others behind the scene that I had no knowledge of, so thanks to you as well.

We attended the District Meeting in Berryville September 20 and an important time change was voted on and accepted. The next District Meeting will be in Mt. Jackson on November 15 with a start time of 9:30 a.m. for the business meeting and the combined meeting to follow at 10 a.m.

The Youth Awareness Student Congress for this year will be held at Stephens City Lodge on November 26 from 9 a.m. – 4 p.m., with registration at 8:30 a.m. Students, freshmen to senior, are welcome to attend the Student Congress. The ultimate result of attending would be to conduct three kids talks and be judged for content, hopefully to win a scholarship to be used in furthering education after graduating high school. If you need further information, contact Ben or myself.

A reminder to all Lodge Brothers: we have an election coming up to elect a two-year trustee. Please come out and exercise your right to select your officers. The election will take place on Oct. 5 from noon until 7 p.m., upstairs in the Lodge Hall. We have four candidates running: Scott Curry, Dean Hershberg, Larry Settle Sr., and Kenneth (Smokey) Stover.

Fraternally Yours,
Ken Cooley, Governor

Women of the Moose News

Well summer is gone and we are “falling” into Fall. As the air chills, the Ladies of the Moose are still hard at work. We have several things planned to keep things warm at the Lodge. Keep your calendars handy so you do not miss anything!

We would like to congratulate Collegian Teresa Ruckers on receiving her “Red Tassel” last month at our College of Regents meeting. Good job Teresa!

We did manage to get the “Attendance Award” at the last District meeting in Berryville, even though we had some of our regulars missing. One of those being “Storming Norma” who was nursing a broken hip. We are glad to hear she is doing well and will be back in our ranks very soon. We also would like to wish Jim McDonnell a speedy recovery from his knee surgery. I am sure the Lynn Care Center has their hands full with Jim and Norma both at the same time!

Mark your Calendars

October 3-4	HOTT training class
October 10	Yard/Bake/Craft Sale

We still need donations for the Yard/Bake Sale and still have tables to rent for your Crafts to sale on the 10th. For more information see any of the ladies or pick up paper in social quarters.

Do not forget to invite your friends and family members to come join the WOTM.

We would also like to see more of our co-workers at our meetings! We always have fun at our meetings yet keep them enjoyable and informative.

Fraternally yours,
Fran Payne, Senior Regent

Administrator's Message

Thanks to all our Members who read the newsletter and found out for themselves how good our daily lunch specials really are. We will be continuing the specials again in October. There is a page in this newsletter telling you of the daily specials.

The House Committee has asked that I mention about the children running around in the social quarters especially when our servers are trying to take food to and from the tables. We've had some pretty close calls and it is just a matter of time before someone is knocked down. Your kids may be able to bounce back up but some of our members may not be able to so let's stop the children from running. It's not too much to ask.

If anyone knows of a High School student who might like a chance to win a scholarship please let us know. Moose International sponsors a Youth Awareness campaign where all the child needs to do is complete a series of talks to younger children for a chance at a scholarship. It's never too soon or late to get them involved. We need some participation from the Front Royal Youth. The Moose International website has a host of information or you can see Governor Cooley or myself for more information. The lodge gets credit if we have participants just show up to hear what the program is all about. Last year we had 13 young adults attend and 1 who earned a lodge scholarship from this lodge for \$500. She was judged at the State level and learned what it takes to get the top award. Last year \$30,000.00 in scholarships were awarded with the top winner receiving a \$12,000.00 scholarship. Two years ago the top winner was from Winchester so it can be attained. This is a great chance for someone to excel.

Fraternally yours,
Ben Auterback, Administrator

Parents please do not let your children play in the parking lot. It is very dangerous, especially after dark and please observe them when they are in the lodge.

O Support Mooseheart Schools. Mooseheart elementary and middle schools need our help. The WOTM chapter is supporting Mooseheart schools by saving BOX TOPS FOR EDUCATION coupons from hundreds of General Mills' products and Campbell Soups. Chapter members and wives of lodge members are asked to help with this project. You may turn the coupons in to any chapter officer or place them in the WOTM collection box in the social quarters to the attention of Krystal Wines.

O Newsletters via E-mail and On the Web. Please notify us at newsletter@mooselodge829.org if you would like to subscribe or obtain the newsletter and calendar via the lodge website.

O Aluminum Cans. Boy Scout Troop 829 recycles aluminum cans. The scouts save cans and crush them each week. If you have any aluminum cans, you can place them in the dumpster area at the rear of the lodge. The scouts pick them up several times a week.

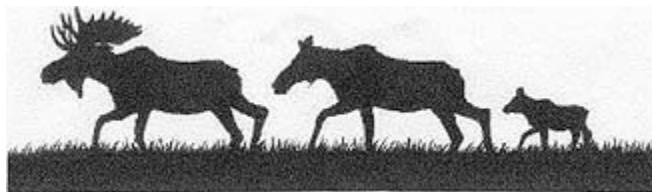

O Web Site. The lodge website at <http://www.mooselodge829.org> contains one year of newsletters, the current calendar, the current officers of the LOOM and WOTM and pictures. Several informative links can be found on the site.
