## Newsletter - July 2010

### Governor's Message

---

Dear Members,

I just want to take this opportunity to wish all of you a safe and happy 4th of July. Be careful out on the roads that weekend.

We want to congratulate the Women of the Moose on their 60th anniversary. We are proud of you ladies. I'd like to thank all of the women for all the hard work they do for our lodge. We really appreciate all your efforts ladies.

By the time you receive this, our officers will be in Nashville for the Moose International Convention. Have a great time everyone and be safe. We will let everyone know of any changes that may occur at the convention.

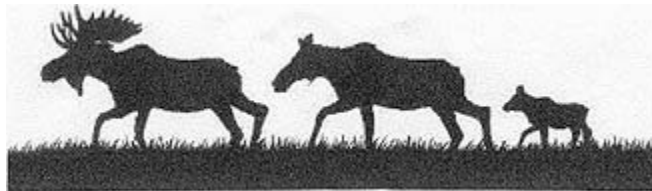

On July 11th we will be having our District 5 meeting in Leesburg, VA. The meeting will start at 9:30 am for anyone that wishes to attend. Come out and support your lodge.

We are still working on getting the horseshoe pits ready for your enjoyment. I will keep you all informed as to the progress of this. I know everyone is anxious to start throwing and we hope to have them ready for you real soon.

On July 16-18 the Virginia State Convention will be held. Come on down and see what the Moose is all about and have a good time. We look forward to seeing you all there.

I would just like to thank everyone for coming out and supporting our lodge. We have a great crowd on Friday and Saturday nights. There is entertainment for your enjoyment at that time. Everyone one has worked hard together to make our lodge one of the nicest around the area. Thanks again to all of you.

Fraternally yours,  
Keith Spangler, Governor

## Women of the Moose News

---

No lazy days of summer for the WOTM. It seems as though this is the busiest time of the year for our chapters. The Leadership training sessions, International Convention, State Convention, and the 2-HOTT sessions keep us on the road and hopefully the road to a successful chapter year!

A special thank you to Shelby, Norma, Leona, and Cynthia for conducting the memorial service for departed coworker, Nancy Layman, of Timberville Chapter. This was a great tribute for a great lady. You may remember Nancy and her husband, John, as they performed the legacy of the Moose on numerous occasions. Nancy was also active with the Youth Awareness Program and also held the Academy of Friendship, College of Regents, and Star Recorder degrees. Another thank you goes to Michelle Walker for volunteering to assist with the 50/50s and other fund raising activities in the social quarters on Friday nights. Thank you to Debbie Seale for the beautiful cake raffled off for Fathers Day. This was a super fund raiser. Also thank you to Frances Combs who continues to bake cakes that are raffled off on Tuesday nights at Bingo. These coworkers are what keeps our chapter alive and successful. I cannot emphasize how important each and every member of our chapter is in so many different ways.

The celebration for our 60<sup>th</sup> anniversary was a great success. Thanks to Cynthia and Virginia for their work on this event. It was especially nice to have our only charter member, Elizabeth Tobin and her daughter Becky Bailey present to join in the activities.

I personally want to thank Virginia Cooley for all the extra duties she performs behind the scenes to keep our chapter going and also save us some money.

I plan to announce the new theme at the July 26<sup>th</sup> meeting as we will have returned from the International Convention with news and updates for the ensuing year. We will also have new General Law books upon our return. Come out to this meeting and find out the new changes , exciting theme, and membership campaign information.

It was a rewarding experience to present scholarships to seniors at Warren County High School and Skyline High School. The appreciation and gratitude of these young people was unbelievable. I am honored to have represented this fraternity and feel proud that we contribute to this type of community service. Each of you who support our fund raising projects are to be commended for your dedication . Shakira Barrett was the recipient at Skyline High School and Caitlin Thompson was the recipient at Warren County High School.

We are planning a Back to School Bingo and Farkle Tournament in August. Further details will be available next month. Our Community Services project for July and August is collection of school supplies. These will be used at the Back to School Bingo and donated to various local schools. Your support of this project is greatly appreciated. The donation box is located in the Social Quarters.

Upon return from Nashville and the International Convention, we will have a new collegian, Virginia Cooley and a new Star Recorder, Norma Capps. Be sure to extend congratulations to each of these coworkers on receiving these honors. This is an honor for our chapter as well as the individual. We will be honoring them at the regular College and Star Chapter nights this fall. Come out and show your support to these ladies and all they do to make our chapter a success. The celebrations are a special event and other coworkers from this area will also be in attendance.

Coworkers are encouraged to come out to our meetings and get to know each other and enjoy the fun activities. Make new friends and make new memories.

Fraternally yours,  
Karen Putnam, Senior Regent

## Administrator's Message

---

This month brings not only warmer weather but also skimpier clothing. The House Committee has just finished discussing what changes need to be made with regards to the clothing issues we are having in the social quarters. We have come up with what we believe to be a suitable standard. The lodge will vote on the new policy on July 19 at the lodge meeting that night. A copy of the policy is included in this month's newsletter.

Every month we ask and almost beg for help with our weekly bingo game. This month is no exception. Please come help out. If it were not for the volunteers we would not have a game and not be able to contribute to all the charities. What if we were not able to give to the "Shop with a Cop" program in December, or The Salvation Army, Volunteer Farm of Shenandoah, CCAP, American Cancer Society, Meals on Wheels, DARE, 4-H club and all the other charities. What would this community do without the Moose Lodge and its contributions. Please come out and help us!

The lodge is hosting a one day Moose Legion celebration August 21<sup>st</sup>. If you want to know more just ask any Moose legionnaire. If you have sponsored a member into the lodge then you qualify for membership into the Moose Legion. Brother Garland Frye is our Moose Legion Secretary for the Lodge, or ask our Governor, Past Governor, Junior Governor or me about the wonderful work the Moose Legion does for this lodge. More information in next month's newsletter. Until then!

Fraternaly yours,  
Ben Auterback, Administrator

*Parents please do not let your children play in the parking lot. It is very dangerous, especially after dark and please observe them when they are in the lodge.*

o Support Mooseheart Schools. Mooseheart elementary and middle schools need our help. The WOTM chapter is supporting Mooseheart schools by saving BOX TOPS FOR EDUCATION coupons from hundreds of General Mills' products and Campbell Soups. Chapter members and wives of lodge members are asked to help with this project. You may turn the coupons in to any chapter officer or place them in the WOTM collection box in the social quarters.

o Newsletters via E-mail and On the Web. Many thanks to all members who have asked to be placed on the newsletter E-mail list or stated they would view it on the website. Your many comments on how appreciative you are of the attempts of the lodge to Go Green are appreciated. The list is growing and thank you again. Please notify us at [newsletter@mooselodge829.org](mailto:newsletter@mooselodge829.org) if you would like to subscribe or obtain the newsletter and calendar via the lodge website.

o Aluminum Cans. Boy Scout Troop 829 recycles aluminum cans. The scouts save cans and crush them each week. If you have any aluminum cans, you can place them in the dumpster area at the rear of the lodge. The scouts pick them up several times a week.

o Moose Legion. Join the Moose Legion. If you have sponsored a member into the lodge, you qualify for membership. Meetings are held on the 2nd Wednesday of each month. Ask any officer or the administrator for details on the Legion.
