Newsletter - February 2011

Governor's Message

I hope everyone survived the big snow storm and was able to stay dry and warm. I guess we're all ready for spring now.

I'd like to thank the Women of the Moose for all the decorating, cooking and hard work they did for the lodge over the holidays..Thank you ladies. What would we do without you?

We want to thank all of the volunteers that have helped with Bingo. We really appreciate all you do. Also, we always need more help, so if you can come out and help us.

Feb 9th at 7:00 pm we will be having our legion dinner. All Moose legion members come out and enjoy the great food. You'll be glad you did.

Around the end of February we will be accepting applications for lodge officers. If you or anyone you know is interested come out and apply. We will be posting qualifications around the lodge shortly.

Fraternally yours,
Keith Spangler, Governor

Women of the Moose News

Brrr, the weather is cold but the “time is now” to sign up new members. Remember if you sign up 2 new members you get your dues paid for a year. What a super investment!

A thank you goes to Shelby Sealock and Evelyn Payne for selling the 50/50 on Friday nights. Thanks to all the coworkers that attended the Mid Year Conference. Congrats to Sue Sealock who received her Academy of Friendship degree.

The WOTM is sponsoring a dance on February 12 from 8-12 with entertainment by “The Virginians”. Please make plans to attend. We are also holding a blanket drive on Friday night, February 11 in the social quarters from 5-9 pm. Gently used blankets are accepted but must be clean and is god shape. Your contributions are greatly appreciated.

Nominations for new officers will begin in February. Anyone interested should contact or submit their name to any current officer. Please refer to the Election Procedures in the WOTM general laws for any information. These are on the International WOTM website. The new Senior Regent will also be needing coworkers for Chairman positions.

Thanks to all of our sponsors that have sponsored a new member. Our “stimulus” is in effect until the end of February. Let’s make our chapter #1 is sponsoring new members! When completing an application be sure to give the enrollee a receipt that is to be completed by the sponsor. This is extremely important. Just ask if help is needed in completing a new application.

Please remind your friends and family to notify the Recorder when there is a change of address or name. We want to keep in touch with our members and keep them informed via our newsletter.

The “Gimme 5 “program is still in process. We encourage everyone to participate. This money is just 10 cents a day or \$36.50 a year. All money goes to the endowment for the care of our children at Mooseheart and our seniors at Moosehaven. Our commitment to this project is vital for our continued operations. The address can be found in the Moose magazine, the official website or from any officers. Please make your contribution today.

Remember to make new friends and make new memories.

Fraternally,
Karen Putnam, Senior Regent

Administrator's Message

We are looking for someone to step up and organize a group of members to monitor the kids room. It can be anyone as long they are either a member or a young adult who will be responsible for keeping the room enjoyable for everyone and making sure the area is cleaned after the 10o'clock hour. The bartenders, staff or any officer who may be in the social quarters are not going to be held responsible. It is up to all our members who bring in their children to take care of the room, and since that has not happened we had to close the room. It will be closed until the House Committee is convinced things will change. It is up to you! We are very sorry that this has happened but it isn't the first time we've begged for the parents to start parenting.

The International Membership Campaign is still going strong. Any man or woman who sponsors just 2 members in the Moose year will receive a free years dues from Moose International. This is a chance not only to show off your lodge but to save some money every year. Gentlemen, by sponsoring just 1 member a year you will receive either a coupon good for dinner for 2 or an invitation to an end of the year member sponsor party. Why not let everyone know it's good to be a Moose!

I would encourage everyone with internet access to go to the Moose Intl website. (www.mooseintl.org) and see for yourself all the current campaigns and events happening in our wonderful fraternity.

I have been remiss in thanking Shawn Lucas and Steve Campbell for hooking the lodge up with free WiFi. They used their own equipment and did a great job in making sure that every nook and cranny was covered. I think you can even get it in the restroom, LOL! Thank you so much guys for bringing us into the next century!

Fraternally yours,
Ben Auterback, Administrator

Bulletin Board

Parents please do not let your children play in the parking lot. It is very dangerous, especially after dark and please observe them when they are in the lodge.

0 Support Mooseheart Schools. Mooseheart elementary and middle schools need our help. The WOTM chapter is supporting Mooseheart schools by saving BOX TOPS FOR EDUCATION coupons from hundreds of General Mills' products and Campbell Soups. Chapter members and wives of lodge members are asked to help with this project. You may turn the coupons in to any chapter officer or place them in the WOTM collection box in the social quarters.

0 Newsletters via E-mail and On the Web. Many thanks to all members who have asked to be placed on the newsletter E-mail list or stated they would view it on the website. Your many comments on how appreciative you are of the attempts of the lodge to Go Green are appreciated. The list is growing and thank you again. Please notify us at newsletter@mooselodge829.org if you would like to subscribe or obtain the newsletter /calendar via the lodge website.

0 Aluminum Cans. Boy Scout Troop 829 recycles aluminum cans. The scouts save cans and crush them each week. If you have any aluminum cans, you can place them in the dumpster area at the rear of the lodge. The scouts pick them up several times a week.
